

PRE-WORK

All pre work will count towards your grade.

Mandatory Sessions prior to arriving at:

- Your Roadmap to Community Resilience
- Code of Conduct
- Climate Change Awareness for Small Island Developing States
- Stay Safe Levels 1 & 2
- Nature-based Solutions for Disasters and Climate Resilience

Guidelines or Reminders

You will be graded based on:

- Community Engagement Skills - throughout the process – e.g. when you get into the Woburn Clarke community, when you get back from the field to share the data etc.
- Facilitation Skills – getting your audience involved, getting support from the community and participation.
- Overall application of the Tools.

Tools will be randomly assigned to groups and the groups will be asked to prepare material on assigned tools. 4 Groups

- **Group One** – Exposure Mapping, transect walk & Seasonal Calendar, Community Fact Sheet
- **Group Two** – Vulnerability Mapping, Venn diagram & Historical profile
- **Group Three** – Capacity Mapping, Focus group discussion, Interviews & Problem and Solution tree
- **Group Four** – Hazard mapping, Direct observation, Resilience Star

3:00 **BREAK**

3:15 Assessing Sample Community (cont'd)

4:00 Wrap Up and Evaluation

Day 3 - Enhanced Vulnerability and Capacity Assessment (EVCA) Training of Facilitators STAGES 3 & 4 - TAKING ACTION TO STRENGTHEN RESILIENCE

8:30	Recap Day 2 (<i>participants: group 2 Recap Day 2</i>)
9:00	Group One – Exposure Mapping, Transect walk & Seasonal Calendar, Community Fact Sheet
9:30	Group Two – Vulnerability Mapping, Venn Diagram & Historical Profile
10:00	BREAK
10:45	Group Three – Capacity Mapping, Focus Group Discussion & Interviews, Problem tree
11:15	Group Four – Hazard mapping, Direct observation, Resilience Star
11:45	Introduction to the eVCA Reporting Template & Data Analysis
12:15	LUNCH
1:15	Risk Informed Community Action Planning
1:45	Action Planning Group Activity
2:45	BREAK
3:00	Group Presentations
4:00	Wrap Up and Evaluation

Night Assignment: Prepare Tools for First Community Visit

Day 4 - CALCULATING THE COMMUNITY'S RISK PROFILE

8:30	Opening, overview of agenda (<i>participants: group 3 recap day 3</i>)
9:00	Create Community Fact Sheet Template
9:30	Populate the eVCA Reporting Template with Secondary Information
	WORKING BREAK
10:00	BRIEFING & DEPARTURE TO COMMUNITY
10:30	Hazard, Exposure, Vulnerability & Capacity Mapping & Semi-structured interviews in Community
1:00	DEPARTURE FROM COMMUNITY
1:30	LUNCH
2:30	Prepare Map for Validation Prepare remaining tools for community assessment
	WORKING BREAK
4:00	Wrap up and Evaluation

Night Assignment – Continuation of tools preparation for 2nd community visit and populate Report Template.
